

CHICHIBU RED WINE CASK 2023 SINGLE MALT

SAITAMA, JAPAN

Chichibu Red Wine Cask 2023 Single Malt is a vatting of whiskies ranging from 6 to 13 years of age that are matured in 36 red wine barrels from France, America, New Zealand, and Japan. The nose presents all the beauty of dark red fruit that intermingles with the malty aromas of honey and cocoa. An exceedingly smooth dram; its flavors of citrus, loquat, blueberry, and anise yield to a wonderfully bitter-sweet finish of clove and milk chocolate. Another stunner of a single malt from the wonderful craftspeople of Chichibu Distillery.

CHICHIBU DISTILLERY

Risen from the ashes of the legendary Hanyu Distillery, Chichibu was established in 2004 by master distiller and blender Ichiro Akuto. Uniquely, Chichibu is home to its own cooperage and floor malting facility, anomalies by any measured distillery standard. Chichibu is also the only distillery in the world to use 100% Mizunara Japanese oak washbacks. All of this coupled with the continuing practice of marking heads and tails by smell and taste rather than timed measurement adds to the illustrious status of this small yet impactful distillery.
