

## CHICHIBU YEAR OF THE RABBIT CASK #7086

SAITAMA, JAPAN

This single cask of Chichibu exclusive to the American market is 5 years old and cask strength. The whisky spent its maturation time in an ex-bourbon barrel that previously held peated Chichibu whisky that was pulled at 64.1% ABV. The result is a beautifully nuanced whisky, which while not directly peated – has an elegant smokey character.

## CHICHIBU DISTILLERY

Risen from the ashes of the legendary Hanyu Distillery, Chichibu was established in 2004 by master distiller and blender Ichiro Akuto. Uniquely, Chichibu is home to its own cooperage and floor malting facility, anomalies by any measured distillery standard. Chichibu is also the only distillery in the world to use 100% Mizunara Japanese oak washbacks. All of this coupled with the continuing practice of marking heads and tails by smell and taste rather than timed measurement adds to the illustrious status of this small yet impactful distillery.
