

# KI ONE TIGER EDITION

NAMYANGJU, SOUTH KOREA

This is the first whiskey release from Korea's first single malt distillery, Three Societies. The tiger is one of three animal guardians who festoon the distillery's crest. Ki wan (Ki One) in Korean translates to "the beginning and hope." The Tiger Edition is the first in a series of three whiskeys from the same distilling run on July 7th of 2020 that will be released at different maturation points to illustrate the unique seasonal aging of Korea's climate. Despite its youth, this single malt just north of one year old, packs the vibrancy of a much more mature whisky. Oak and spice intermingle with the delicacy of ripe stone fruit and vanilla pods. Tiger is an exciting sign of things to come from this landmark distillery.
