

# COCONUT RUM & RAISIN

5YR SINGLE MALT

MOURNE MOUNTAINS, IRELAND

This special release of Killowen’s Rum and Raisin Inspired Single Malt gets a Caribbean twist with the addition of a limited coconut rum barrel in place of Brendan’s own rum barrels. Just like the regular version, the coconut rum barrel gets Pedro Ximénez sherry butts affixed in order to impart raisin like complexity and complement its bourbon barrel aged single malt. Buttery flavors of coconut and vanilla intermingle with sea salt and figs, making this limited cask strength Irish single malt one for the books.

Killowen is the stuff of whisky making legend and are poised to redefine the parameters of what Irish Whisky can be
