

OKA BRAND MANEKI WANKO “LUCKY DOG” FUTSUSHU SAKE

HYOGO, JAPAN

Lucky Dog is a play on the famous Maneki Neko “Lucky Cat”. Maneki Wanko, translating to “Lucky Dog” (Wan = Bark, Ko = Cute Suffix), is a character honoring all the beloved pups of Japan, from the patient Hachiko to the temple guardians, Koma Inu. Lucky Dog is a futsushu sake, designed to be easy- drinking and portable. Just like man’s best friend, Lucky Dog will come with you wherever you go. Fruity aromatics of green melon lead to a crisp palate full of banana, pear, and lingering minerality. Pair this lovely table sake with rich fried foods, white fish, and avocados.
