## TWO STACKS IRISH WHISKEY

Blending the very best of contemporary Irish flavor with real distilling heritage; Two Stacks is at the forefront of Ireland's whiskey revival. Bonding was the tradition of merchants and grocers purchasing whiskey to blend and sell independently. Over the past hundred and fifty years, this tradition has all but vanished from Ireland. Two Stacks has adopted the spirit of historic Irish bonders and are bringing it to the forefront of their own ethos of craft whiskey. Utilizing traditional techniques over automation, Two Stacks is forging their own path with transparency and integrity.
