

# TWO STACKS SINGLE GRAIN

NEWRY, IRELAND

Two Stacks create Irish whiskey that is complex and approachable. Their new Two Stacks Single Grain is the most recent addition to their core line of bonded whiskeys and is exemplary of the category. Triple column distilled of maize and malted barley – this whiskey offers delicate aromas of grainy sweetness, baked apple skins, and petrichor. Its flavor recalls candied almond, stewed pear, and delicate butterscotch that lingers long after the last drops fall from the glass.

## TWO STACKS IRISH WHISKEY

Blending the very best of contemporary Irish flavor with real distilling heritage; Two Stacks is at the forefront of Ireland's whiskey revival. Bonding was the tradition of merchants and grocers purchasing whiskey to blend and sell independently. Over the past hundred and fifty years, this tradition has all but vanished from Ireland. Two Stacks has adopted the spirit of historic Irish bonders and are bringing it to the forefront of their own ethos of craft whiskey. Utilizing traditional techniques over automation, Two Stacks is forging their own path with transparency and integrity.
